

**TRY IT. PLAY IT. LOVE IT.**

### **SQUASH AIRCOURT**

Our Air Court is a mobile inflatable squash court that has been imported from Germany. It has fully tensioned walls and is like a 'bouncy castle'. The Air Court needs to be set up in a hall or gym or outside, weather permitting. Requires a power source. Court specifications are: length - 10m, height 3m and width 7m. A super bouncy ball enables maximum enjoyment for those giving Squash a Go!
